Hello Jamie:

Pursuant to numerous discussions with ADEQ over the past year, please find a draft of a corrected Institutional Control for the review of ADEQ. Please circulate this draft to other appropriate staff/managers at ADEQ. I am also attaching the exhibits to the draft IC.

Please return any comments to me no later than Wednesday, July 10, 2013.

After ADEQ's comments are incorporated, the revised Institutional Control will be transmitted to EPA HQ, and finally to Mr. Grisham and McKesson Corporation for review and comment.

Thank you,

Gloria Moran
